EDUCATION

Jabalpur Engineering College   2020 – 2024
Bachelor of Technology in Computer Science Engineering   *CGPA 8.6/10*

WORK EXPERIENCE

Software Development Engineer Intern   Aug 2022 – Nov 2022
WATT Incorporate   (Link)   *Remote*

- Developed and maintained the organization's website as well as some features like authentication.
- Developed an API to retrieve data from the Google Spreadsheet.
- Created database to save the user and the user may keep some of its reports and retrieve them in PDF format.

Full Stack Web Developer Intern   Jun 2022 - Aug 2022
Cosyugma Info   (Link)   *Remote*

- A landing page was created for the website of Cosyugma info, which specialises in designing, developing, and maintaining software, websites, and online platforms for e-commerce solutions connected to several industries, including but not limited to legal, fashion, jewellery, etc.

PROJECTS

Instagram Clone | *NodeJS,HTML,CSS,React,MONGODB*| **Github** | **Live**   March 2022
- This app is comparable to Instagram in that it allows many users to sign up and log in.
- Users have the ability to add photos, comment on posts, like and dislike those of other users, and even delete their own posts.
- Users can connect with one another by following one another.
- The ability to reset a password through email is also available. I used sendGrid to send messages

To-do App | *React, HTML,CSS,JS,NodeJS, MONGODB*| **Github**   Jan 2022
- For the purpose of task tracking, the user can create and delete tasks, the daily activities are kept and tracked using a web application.
- Created a feature that allows users to alter or reschedule jobs.
- Developed a filter to display any particular category of tasks.

Quizz-App | *React,HTML,CSS,Git*| **Github** | **Live**   May 2022
- A Quiz app which has frontend similar like a KBC platform.
- The user can participate in real-time game like KBC real-time answer selection and score updating.

ACHIEVEMENTS AND EXTRA CURRICULUM

- **Smart India Hackathon 2022 Finalist.   − Link   − Live   − Github**
- Hacktober fest 2021 and 2022.
- Solved more than 800 problems on Leetcode and gfg.
- Core team member of ACM Chapter JEC
- Member at KarwaanN(College Club NGO) managed team for teaching in School
